

Stand with Myanmar

Prayer Points for Myanmar

As Australian Baptists, let's join together in prayer to support our brothers and sisters in Myanmar who are experiencing atrocities every day at the hand of the military. Despite disappearing from our daily news reports, the situation has worsened in recent months and there are approximately 2,650,000 internally displaced people living or hiding in the jungle in Myanmar and a further 1,133,000 seeking asylum or in refugee camps in the countries surrounding Myanmar, according to the UN.

These prayer points have been provided by Chin, Kachin, Karen pastors and leaders from Australian Baptist churches.
